Financial Assistance: There are a limited amount of camperships available from CT Rivers Council BSA. Camperships are rarely over 50% of camp fees. The Connecticut Rivers Council will require a copy of the front page of a family's most recent Form 1040 in addition to the campership application. This practice is consistent with other major institutions providing camperships, allows the council to make an informed, needs-based decision, and improve our ability to support those Scouts who truly need assistance. Applications are due April 1, 2015. Forms & Information at: <http://www.ctrivers.org/Camping/CampershipsandCampCards/ApplyforaCampership>
If you are applying for financial assistance please submit the Troop 13 Registration Form to Kathy and let her know have submitted a campership application. All information is held confidential.
